Professional Recognition Award

Are you a member of the ASPRS Florida Region in good-standing, and know someone who has made significant contributions or advancements to the remote sensing, photogrammetric, or Geographic Information Systems (GIS) profession? Here is your chance to give that person some well-deserved recognition.

The Florida Region of ASPRS is now accepting nominations for the **Professional Recognition Award**. This is a yearly award meant to highlight the accomplishments of professionals whose actions have promoted the mission of the ASPRS. Of those nominated, two (2) will be selected (a current Florida Region ASPRS member and a non-member) for the award. Winners of the award will receive a one-year paid ASPRS membership.

To submit a nomination form go to:

http://www.flasprs.org/docs/ASPRS_Professional_Award_Recognition_Form_09082009.pdf

Hurry! Nominations end December 1st.

*Only Florida and Puerto Rico residents are eligible for the non-member award, while the member award is limited to current Florida Region members. All eligibility requirements and exclusions apply.

- **Nominations Begin**
